

Beaded Hand Gel 5 Litre (Tub)

READYFIX PRODUCT CODE: Z101-270

A high-quality, solvent-free beaded hand cleaning gel formulated to remove ingrained dirt and heavy workplace soiling. Mild non-poly beads enhance cleaning performance, while skin-conditioning agents and an easy-rinse formulation support regular use.

- Solvent-free blue gel with fresh fragrance.
- Contains mild non-poly cleaning beads.
- Rinses away readily with clean water.

Technical specification

Property	Specification	Property	Specification
Readyfix code	Z101-270	Product type	Beaded hand-cleaning gel
Pack size	5 litres	Container	Handled plastic tub
Appearance	Blue stiff gel	Formulation	Solvent-free
Cleaning action	Mild non-poly beads	Fragrance	Fresh / cool water
Skin conditioners	Included	Rinsing	Clean running water
Shelf life	1 year	Unit of supply	1 x 5 litre tub

Method of use

Apply a small quantity to wet or dry hands. Work the gel thoroughly into the dirt on both sides of the hands and between the fingers using a normal washing action. Rinse well under clean running water. A second application may be used for exceptionally heavy soiling.

Handling and safety

For external hand cleansing only. Avoid contact with eyes; rinse immediately with clean water if contact occurs. Keep the container closed when not in use and keep out of reach of children. Refer to the current Safety Data Sheet for full handling, first-aid and disposal information.
