

High quality absorbent, antibacterial surface wipes, providing a convenient 4-in-1 solution against surface contamination from commonly found microorganisms. Alcohol, chlorine, fragrance free.

- Single solution for cleaning & disinfecting hard surfaces - removes the need for multiple products
- Convenient wet wipes.
- No complex preparation of solutions nor dilution of disinfectants required.
- Single-use wipes eliminate the risk of cross contamination.
- Alcohol, Chlorine and fragrance free - makes OneWipe AnticBac an all-round safer choice.
- Suitable for use on all non-porous hard surfaces.
- Manufactured in accordance with ISO 9001 QMS

Peel back the label where indicated by the blue arrow  on the front of the packaging and remove wipes as required. To prevent wipes from drying out, please reseal the label securely after use. Dispose of wipes in a bin after use. Do not flush down the toilet. It is advisable that each wipe is used once before disposal and on one surface only. This will help reduce the spread of germs from one surface to another and avoid any potential cross contamination.

OneWipe™ Antibac wipes can be used on all non-porous hard surfaces. When cleaning any electrical devices, care should be taken to prevent any excess liquid coming into contact with hazardous parts.

PRODUCT DATA	
Product Code	SW100
Appearance	White laminate wipe
Fibre Content	Rayon, Tencel, Polyester in various blend percentages
Wipe Size (mm)	185mm/200mm x 355mm approx (Quarter-folded)
Weight (gsm)	50© (dry weight of wipe)
Liquid content	Alcohol free. See reverse label on packaging for full list of ingredients
Wipes per pack	100
Shelf Life	24 months from manufacture when stored away from direct sunlight
Storage	Store in original container in cool dry conditions between 5°C to 25°C
Health & Safety	Consult COSHH/MSDS (available at tygrisindustrial.com)

This product has been tested in accordance with European Standards
 EN 1276, EN 13727, EN 14348, EN 13624, EN 14476
 and supporting documentation is held on file by TYGRIS Ltd.

EFFICACY DATA		
Bactericidal	EN 1276 E Coli	5.38 log reduction
