\*Calculated from the nominal roll length and outer-pack quantity.

### Product features

- White, 2 ply tissue provides a clean, professional presentation in shared facilities.
- Centrefeed format supports controlled, one-handed dispensing from a suitable dispenser.
- Suitable for hand drying, wiping tools and surfaces, and absorbing everyday spills.

### Storage and handling

Remove the cardboard core before centrefeed dispensing. Store in clean, dry conditions and protect from moisture, contamination and direct heat.
