

Dishwasher Tablets (Pk 100)

READYFIX PRODUCT CODE: Z105-020

Lemon-fresh dishwasher detergent tablets formulated to release cleaning and polishing agents that break down food residue and stubborn grime. A built-in water-softening agent supports a spotless finish while helping protect against limescale.

- Cuts through grease and helps lift baked-on food.
- Helps remove tea stains and works at low temperatures.
- Lemon fragrance; supplied in a pack of 100 tablets.

Directions for use

Remove loose food residues from crockery. Place one tablet in the dishwasher detergent dispenser and close the compartment. Select the required programme and follow the dishwasher manufacturer's instructions and the directions printed on the product pack. Handle tablets with dry hands.

Detergent composition

5-15% oxygen-based bleaching agents; less than 5% non-ionic surfactants, polycarboxylates, phosphonates, enzymes and perfume. Contains subtilisin. A full ingredient datasheet for medical personnel is available on request.

Handling and safety

WARNING: Causes serious eye irritation. Contains subtilisin and may produce an allergic reaction. Keep out of reach of children. If in eyes, rinse cautiously with water for several minutes; remove contact lenses if present and easy to do, then continue rinsing. If irritation persists, seek medical advice. Wash hands thoroughly after handling.
