

Black Plastic Dustbin 80 Litre c/w Lid

READYFIX PRODUCT CODE: Z111-429

A heavy-duty 80 litre black plastic dustbin supplied complete with a secure-fitting lid. Manufactured from durable, weather-resistant high-impact plastic for dependable waste collection on construction sites, in welfare areas, workplaces and outdoor locations.

- Deep-rimmed lid helps keep waste secure and limits water ingress.
- Integrated side handles provide a secure grip for lifting.
- Smooth, tapered interior supports quick and easy emptying.

Technical specification

Property	Specification	Property	Specification
Readyfix code	Z111-429	Capacity	80 litres

Material	High-impact plastic	Recycled content	Minimum 95%
Dimensions	H 710 x Dia. 440mm	Lid	Secure-fitting lid included
Handles	Integrated side handles	Form	Smooth tapered interior
Use	General and site waste	Location	Indoor / outdoor

Use and handling guidance

Position on a stable, level surface and fit the lid after use. Do not overfill. Lift using both side handles and follow appropriate manual-handling practice, particularly when the bin is full. Do not use for hot ashes, burning materials, hazardous waste or liquids unless suitability has been confirmed for the intended contents.

Cleaning and storage

Empty regularly and clean with warm water and a mild detergent. Avoid abrasive cleaners that may damage the surface. Rinse and allow to dry before returning to service. Store with the lid fitted when not in use.
